*High Quality Preserved Roses  
From Ecuador*

# Enchanted

# OUR STORY

Royal Flowers, Inc., founded 1991, is one of Ecuador's largest Rainforest Certified farms with over 100 hectares under greenhouses at two separate locations.

We are conveniently located to serve the floral industry worldwide with sales and distribution in Quito, Ecuador, Miami, Florida USA and The Netherlands in Europe, Royal Flowers is able to seamlessly deliver the highest quality flowers from one of Ecuador's largest cut-flower farms to you, wherever you may be in the world.

Along with our own flowers and greens, we also qualify and source products from all over the world, offering our customers the finest bouquets, consumer bunches, and preserved and tinted flowers. We are the

## PRESERVED ROSES CARE

Made with fair trade certified roses, which have been preserved by a process that replaces natural sap with a synthetic color sap. Thus maintaining the roses shelf life for a long time (1-2 years) depending on the environmental conditions. As natural sap, synthetic may also stain

Keep in a cool dry place.  
Moisture lower than 80%RH

Do not expose  
to direct sunlight.

Do not expose  
to heat sources.

For cleaning use  
a cool dry air source.

Do not water.

The flower is not  
edible and may stain.

Do not refrigerate.

# Enchanted

## Romantic Shape

This garden-style rose combines the classic romantic shape with richly modern colors. The combination is guaranteed to express true love with sincere meaning.

## Classic Shape

A simple, serious and beautiful rose which is ideal for all kinds of floral arrangements. You can use it for any occasion thanks to its variety of colors.
